INTRODUCTION

MEGA OHM Electromechanical LLC is a Dubai based company that specializes in Mechanical, Electrical & Plumbing (MEP) building services along with Maintenance activities related to FM and General Maintenance, operating since the year of 2003. (Parent Company being OHM Elect Cont. Co. LLC Sharjah, Founded in 1988.)

OHM .Elect. LLC

From the very beginning we adopt a unique approach towards our clients, catering to their specific needs and delivering upon their expectations.

Behind the name of MEGAOHM Electromechanical LLC, stands an experienced and professional team that works together to deliver and maintain the highest standards of MEP & General Maintenance services.

Our highly qualified and technically competent managers, engineers, supervisors and technicians, allow us to capture a sizable share of the market. We are currently executing above AED 150 Million in ongoing projects in different premises of commercial, residential and industrial type.

MEGAOHM Electromechanical LLC strives to deliver the highest standards of MEP & General Maintenance installations, collaborating in the development of the right scope of work. We develop a unique approach towards each client and each project is a never ending responsibility for us. Our Commitment has contributed to the impressive accomplishments of the company. In a relatively short span of time, we complete a great number of projects and we continue to work on even more upcoming projects that vary in complexity, size and value.

MEGAOHM Electromechanical LLC undertakes all kinds of Mechanical, Electrical and Plumbing works for the Villas/ Hotel Apartments / Warehouses/ Factories/ Hospitals/ Residential Buildings/ Commercial Buildings & Offices/ Labor Accommodation / shopping malls & Centre.

VISION

We strive to become one of the leading and most reliable MEP contracting companies in the Middle East, continuously conforming to our ever-growing professional and ethical demeanor as well as quality assurance standards to earn the privilege of being your contractor of choice.

MISSION

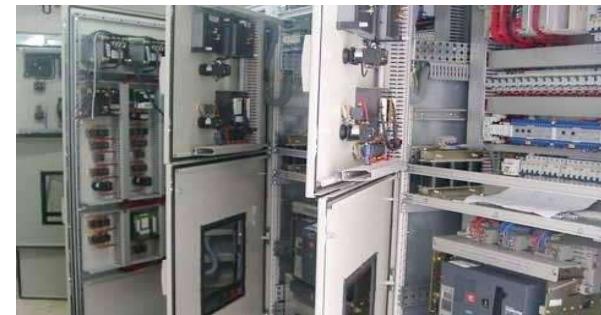

Guided by our vision we shall deliver high quality, cost - effective works on schedule and enhance our client's satisfaction through continuous improvement of quality, services, delivery as well as environmental protection.

OUR ENGINEERING DEPARTMENTS

Design / Estimation & Drafting Department

Reporting to the manager the engineers start with the design calculation and costing of the project. Our Auto Cad drafting department makes shop drawings from the input they receive from the design engineers. We have a dedicated team of engineers specialized in executing all MEP related works.

Sales Department

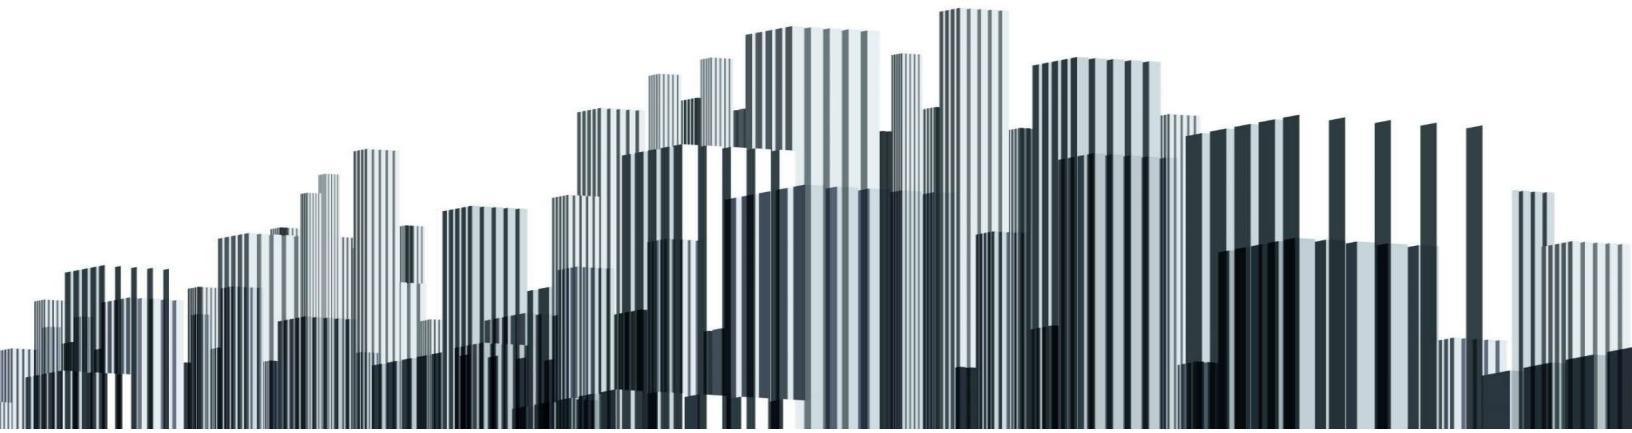

All our engineers are experienced in the sales and installations of residential and commercial systems. All of them are highly qualified and trained engineering graduates.

Installation Department

Headed by a graduate engineer with experience in MEP works, along with site engineer supervisor. We have various teams for the design installation, test and commissioning of Mechanical and Electrical Systems.

Maintenance Department

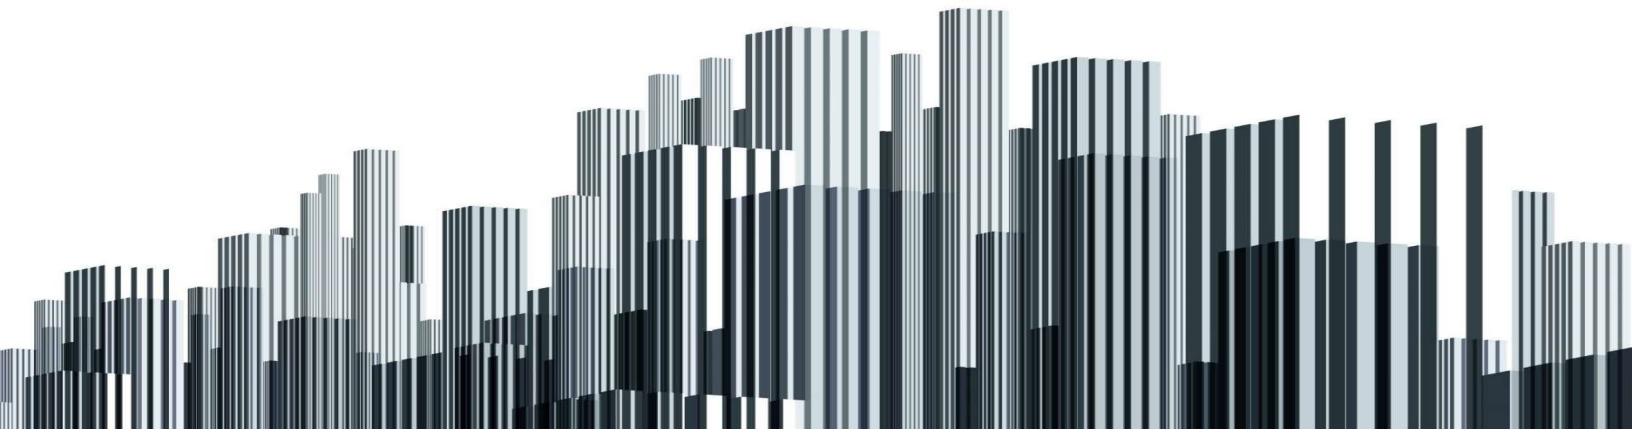

Our maintenance department takes cares of the after sales services. We also undertake annual maintenance contract for the MEP.
